REPORT ON MEMOIRS.

Inasmuch as Almighty God in His allwise providence, has seen fit to take from our midst our much beloved brother, E. C. Gainey, and inasmuch as he was always faithful to his duty, and an example of constant loyalty to his convictions and to the teachings of the Bible,

Be it Resolved, That we bow in humble submission to this call of our Heavenly Father, and while we lament the loss of our beloved brother, we sorrow not as those who have no hope, knowing that he lived the life of a devoted christian, and that his last words on earth were in praise to the Lord who saved and sanctified and baptized him with the Holy Ghost.

Be it further Resolved, That we hereby extend to his bereaved family and friends our sincere sympathy in their test, and also pray God that they may so live as to meet him where parting is no more.

Be it further Resolved, That a copy of these resolutions be spread upon the minutes of this Conference and that a copy also be sent to the official organ of our Church for publicatin.

Respectfully submitted,
N. J. MEDFORD,
C. B. STRICKLAND, Committee.

Report adopted.

REPORT ON SUNDAY SCHOOLS.

It is only necessary to look backward over Sabbath School history in order to see that great good has been accomplished through them. We are aware of the fact that thousands of souls have been spiritually blessed in the Sunday Schools. The Sunday School is the best place to instil into the minds and hearts of the children the precious truths of God's word, which is the best foundation upon which to build character, while they open to older people a door of usefulness unsurpassed in any branch of service.

Therefore, we insist:

1st. That all our pastors use their best efforts to help the Sunday Schools in securing the best officers and teachers possible, and encourage them in their work.

2nd. See that they have literature which is in harmony with our doctrines and experience, and we hereby highly recommend that published by Rev. G. F. Taylor. We also recommend the use of his Catechism in the schools.

3rd. Let us avoid having our schools meet at an hour which will conflict with those of other Christian bodies if possible.

4th. We strongly endorse and urge upon all pastors the great necessity of showing our people the importance of our Annual Sunday School Convention and to see that a delegate is sent with a report from each school.

5th. We see the necessity of, and think it wise that all our schools should have a monthly offering for Orphanage work.

Respectfully submitted,
F. J. SHERMAN,
F. G. HONEYCUTT,
W. B. GODWIN, Committee.

Report adopted.

On motion the 5th Sabbath in June, the coming year, shall be set apart for a Sunday School Convention.

REPORT ON EDUCATION.

Kowing the value of true Christian Education and the evil tendencies prevalent in the world today, we feel that it is our duty as a conference to bestir ourselves along this line. We cannot ignore educational facilities entirely. This is a day of education, and we must recognize its value although we cannot endorse all the agencies employed by it. We cannot leave out the essential part, if we cannot take it in its entirety. Since this is so we must strive to attain the true education, which is Pentecostal Holiness education. Education without religion is found wanting, education with good religion is invaluable. In order to have this, we must have education under pentecostal influences.

It is true that we need training, and it is very gratifying that we are awaking to our needs in this field. We as a Pentecostal Church and conference should recognize the educational agencies already in our midst. Holmes Bible Training School in Greenville, S. C., and Falcon Holiness school located at Falcon, N. C., within the bounds of this Conference. Both of these stand for Pentecostal Holiness. The Bible Conference is an important agency for the training of our ministers and christian workers. More interest should be taken in it. We all know that a minister must have training. The Holy Spirit will teach us, but we must do our part.

A step has been taken that means much. The purchase of the Franklin Springs, Georgia, property for the purpose of establishing a school, etc., for the church, means much as a forward step. The whole church must stand behind this center. Its influence will go out in every direction. While it is located in the Georgia Conference, all the conferences must stand behind it and work for its success. There is a work for the existing schools in the conferences where they are located, and a work for the Franklin Springs School in Georgia and in the whole church in general. Our ideal should be a school there for the church as a whole, and a Holiness school in every conference. Nothing less than this should satisfy us. When this is accomplished there will be a line of Holiness schools from mountain side to seaboard, educating and training our young people in the true way. Our church, our state, our country depends upon the young people. Then let us awake to our duty as a church and as a conference, in seeing that our young preachers and all the rest of our christian young people get an education under Pentecostal Holiness influences, and go out into the world as soul winners and workers in the kingdom of God, until the time shall come when "the knowledge of the Lord shall cover the earth as the waters cover the sea."

Respectfully submitted,
A. C. HOLLAND,
T. H. ROUSSEAU,
J. H. MASHBURN, Committee.

On motion the above report was adopted after very encouraging talks in behalf of Pentecostal Holiness schools, and education in this and other states, and particularly in regard to the work at Franklin Springs.

Pledges were made for Franklin Springs property amounting to $492.50.

REPORT ON LITERATURE.

The world is being flooded with pernicious literature, and it is an evident fact that people are being greatly influenced thereby. Not only this, but the reading of good literature is being neglected. We feel that a note of warning should be sounded concerning the literature used as a propaganda by certain sects to spread all manner of false doctrine and unscriptural teaching. The pastors and deacons of all our churches should see that no literature of this kind is circulated among the members of their congregation. This is required of them, according to the Discipline. Evil influences and agencies are active in their efforts to sow the country down with their teaching. We should be more active and zealous in the publication and distribution of Holiness literature. Let us bestir ourselves along these lines and do all possible as a Conference for the spread of the proper kind of literature.

The Bible, the greatest of all books should be studied. Every preacher and minister should read the Bible through at least once in a year. Not only the mere reading of the Word, but real study should employ our time. Let us make this Conference a Bible reading one. This will do more for its spirituality than anything else.

The following books should be read and circulated: "From Passover to Pentecost." "Select Sermons," both by our General Superintendent. "The Second Coming of Jesus," Catechisms, etc., by Rev. G. F. Taylor. There are various other books written by our preachers. Also helpful books along other lines. Pierson's "Many Infallible Proofs," Binney's "Theological Compend", and all those books advertised by Brother Taylor in the Advocate.

Let us not be satisfied until there is a Sunday School in every church, supplied with Pentecostal literature.

There should be one or more pentecostal papers in every family. Such periodicals as The Advocate, Evangel, Altamont Witness, etc., should be circulated. Let every lay member and preacher, pastor and evangelist, do all possible for their circulation, especially of the Advocate and others mentioned.

People will read, especially the young, and if we do not put good literature into their hands they are likely to get hold of the bad. Good reading matter must be put into the hands of our people. Those who read the Bible and the right kind of literature are kept from error and false doctrine. Let us awake to a full realization of our duty.

Respectfully submitted,

F. M. BRITTON,
A. C. HOLLAND,
JAS. F. EPPS, Committee.

Report adopted.

On motion the time for business was extended thirty minutes.

REPORT ON PUBLIC MORALS.

Whereas, We your Committee on Public Morals, consider that certain immoralities exist in our Nation, that wreck homes and churches, and destroy Christian experiences, such as the use of strong drink, immodest apparel, vulgar picture shows, and all other kinds of shows, fairs and public shows of all descriptions; carnal and lustful practices, assuming various forms of sin known as envy, pride, foolishness, also back-biting and talebearing, divisions, undue and

improper desire for leadership, infidelity, slackness, inactivity, in sacred things; sins of omission, Sabbath desecrations, including Sunday excursions, and Sunday visiting, also needless expenditures of funds for such as tobacco in every form; chewing gum, soft drinks, and costly apparel; social clubs, secret societies, festivals, ice-cream suppers, and bazaars, jewelry, gold, feathers, flowers, shadow dresses, also some of the grossest sins known as fornication, adultery, criminal abortion, divorce and trickery, and schemery in trading for gain; covetousness in all aspects. Also the too liberal conduct between the opposite sex. We consider that all these are prevailing sins of the age, therefore be it

Resolved 1st. That we seek to maintain a chaste and virtuous relation to Almighty God, by refusing alliances with all these evils so sadly imbibed by men of our day.

2nd. That each and all members of this Conference attack, defeat, and annhilate all centers of sin so far as we are able.

3rd. That united effort in prayers, and services be the motto throughout the coming year, having as an ideal the perfect and complete life of Jesus, who has triumphed over all sin and immoralities.

Respectfully submitted,

A. B. CANIPE,
P. F. ROBINSON,
S. A. FANN, Committee.

Report adopted.

REPORT ON MISSIONS.

Whereas, we all recognize our privilege and duty toward missions, we would therefore urge upon one and all, the need of a better and more effective system of spreading the gospel in foreign lands. To this end, we would recommend:

1st. That a Missionary Society be organized, maintained and run in each and every church and mission station in this Conference.

2nd. That each Pastor and Evangelist set apart at least one service in each of their meetings throughout the year to be devoted to missionary interest, only.

We also urge that special emphasis be placed upon our former recommendation that each member pay for foreign missions at least one cent per day.

We further recommend the use of the Advocate as a guide in conducting missionary services. Also the use of maps, mottoes and other incentives calculated to arouse interest in missions.

We recommend also a specific season of prayer each day for the cause of missions.

And again we would call the attention of our members to the fact that our discipline in section 5, paragraph 7, says: That each local church shall have an organized missionary society.

For and by reason of this fact, we therefore urge and insist upon those in charge to see: 1st. That a society is organized; 2nd. That the society be wisely and profitably conducted; 3rd. That suitable material be gathered and finally that it is used with discretion and profit.

Finally, we recommend a united campaign of the ministry and laity for the inception, birth, growth and perfection of mission work in every field.

Respectfully submitted,

T. H. ROUSSEAU,
JEROME HODGES, Committee.

Report adopted.

REPORT OF COMMITTEE ON RESOLUTIONS.

We, the Committee on Resolutions, desire to submit to this Conference the following report:

First. Be it Resolved, That this Conference shall, by a rising vote, show to its Superintendent, its hearty endorsement, for having so successfully divided it into its several districts as it now stands, viz: Fayetteville, Mount Olive, Parmele and Wilson, and that this Conference shall remain divided into districts.

Be it Resolved further, That it shall be the duty of each Pastor to lay before his churches the necessity of their being represented by at least one delegate at each Quarterly Conference, which shall be held within the bounds of each district, and that no pastor or church shall fail to attend each of said quarterly Conferences unless there be a reasonable excuse, and then said churches and pastors shall be represented by letter.

Second. We suggest that each pastor as far as possible be assigned to work within the bounds of the district in which he shall reside, and that no pastor shall be assigned to work in more than one district, and whereas, there are so many false teachers flooding the country with their erroneous doctrines, we suggest that each pastor locate as near as possible in the centre of his circuit so as to be able to watch over his flock more carefully in the future than in the past.

Third (a) Whereas, there are several counties within the bounds of this conference, in which we have not established any work and where our doctrine seems not to have so much as been taught, we suggest that our evangelists spend more of their time in these needy fields of labor. (b) Be it further resolved, That no evangelist shall have the right to hold revival meetings in any of the several churches within the jurisdiction of this Conference without a mutual agreement between both pastor and church. And when such revival meetings are being held the Deacons of such churches shall reserve the right to take up all collections and dispose of proceeds of same as necessity may demand, always observing the needs of workers in charge of said meeting.

Fourth. Whereas, our beloved Superintendent, Rev. F. M. Britton, has resigned his office, and has been transferred to the Georgia Conference; and also Rev. G. F. Taylor, who has been transferred to the Georgia Conference and who has so faithfully served us as one of its most noted spiritual advisers both as a minister of the gospel, teacher, and Editor of religious books and also the official organ of the church, viz: The Pentecostal Holiness Advocate. We recommend, That this Conference show to them by a rising vote of thanks its appreciation for their labors and thereby assure them that they have our love and fellowship wherever they may go.

Fifth. We recommend that this Conference show to this church and its friends by a rising vote of thanks its appreciation for their hospitality in serving this Conference, which was rendered by such loving Christ-like spirit.

Respectfully submitted,

JAS. F. EPPS,

C. W. BASS, Committee.

The time was again extended to finish the business of the Conference.

The election of officers next followed and the count resulted:

For State Superintendent—Rev. C. B. Strickland.
For Assistant State Superintendent—Rev. Jerome Hodges.
For Secretary and Treasurer—Rev. A. C. Holland.
On Official Board—Rev. J. B. Williams, Rev. Jas. F. Epps.

On motion it was decided that the minutes shall be printed by Nash Brothers of Goldsboro, and that one thousand copies shall be printed.

It was decided by vote that our next Annual Conference shall meet with the Church at South Norfolk, Va., on Thursday after the third Sunday in November, 1919, at 9 o'clock a. m.

On motion Bro. J. B. Williams was excused on account of his wife's sickness.

An offering of $9.48 was made for our State Superintendent.
